

Celebration of International Women's Day at Jagannath Singh College

Udharbond, Cachar, Assam

Date: 8th March 2025

Under the Memorandum of Understanding (MoU) signed between Jagannath Singh College, Udharbond, and PHE Silchar Division-II, an awareness program was organized to mark International Women's Day. During this event, two trainers from PHE, Smt. Asha Kairi and Shri Sanjit Roy, provided hands-on training to students on scientific methods for testing pure drinking water. They discussed in detail the personal, familial, and social importance of water testing with factual data.

Students and faculty members participated enthusiastically. To ensure the success of the program, the Coordinator of the college's Jal Jeevan Cell and Assistant Professor of Economics, Dr. Susmita Paul, congratulated the students, stating that such training programs would have a far-reaching impact on building student awareness.

Separately, the college's Women's Cell celebrated International Women's Day through a vibrant and insightful program that highlighted the achievements of women alongside the rich cultural heritage of Northeast India. The event commenced at 11:00 AM with the lighting of the ceremonial lamp, symbolizing the removal of darkness and the illumination of women's strength and resilience.

Dr. Susmita Mitra, Coordinator of the Women's Cell and Assistant Professor of English, delivered the welcome speech. She emphasized the significance of International Women's Day in recognizing the ongoing struggle for gender equality and celebrating the remarkable progress of women across various fields.

Dr. Nandita Das, Assistant Professor of Bengali, delivered the keynote address. She captivated the audience with her insights on women's empowerment, focusing on future challenges and opportunities.

Dr. Swapan Das, Assistant Professor of Political Science, spoke on the topic "Woman through the Eyes of Man." He highlighted the multifaceted image of women in a patriarchal society and how male perspectives influence women's positions. He stressed that gender equality can only be achieved by changing male perspectives and fostering sensitivity and respect toward women.

The second phase of the program featured unique activities:

"As You Like It" Competition: Female students dressed up as iconic Indian women personalities. This creative segment served as a tribute to women who shaped India's history.

Cultural Presentation: A captivating stage performance titled "Northeastern Indian Culture and its Representation through Women's Attire" was held. It showcased the intricate designs and symbolic significance of traditional garments, celebrating the region's diverse heritage.

The event concluded with a Prize Distribution Ceremony to honor the winners and participants, followed by a formal Vote of Thanks. The celebration ended with the singing of the National Anthem, fostering a sense of unity and national pride.

The International Women's Day celebration at Jagannath Singh College was a grand success, blending intellectual discussion with creative and cultural expression to create a memorable experience for all.
