

# AWARENESS PROGRAMME ON "BETI BACHAO, BETI PADHAO"

Date: 23rd January 2025

The Jagannath Singh College Women's Cell organized a "Beti Bachao, Beti Padhao" awareness programme at their adopted village, Doyapur Part 7. Seventy students and four teachers participated in the event.

Dr. Susmita Mitra, Coordinator of the Women's Cell, spoke about Prime Minister Modi's "Beti Bachao, Beti Padhao" initiative, highlighting its importance and outlining various related government schemes. She emphasized the need to protect and educate girl children.

Anita Singh, a member of the Women's Cell, along with other faculty members including Dr. Kaushik Nath and Dr. Nandita Das, also shared their perspectives on the topic. They discussed the social and cultural factors impacting the lives of girls and stressed the importance of education and empowerment. The programme aimed to raise awareness about the importance of girls' education and to combat gender bias.
