The Department of Economics of Jagannath Singh College, Udharbond, Cachar successfully organized an Extempore Speech Competition on 23rd April 2026 at 11:00 A.M. in the Smart Classroom. The programme was presided over by Dr. S Somarendro Singha, Principal, of the college. The event was conducted under the theme "Economics in Everyday Life", aiming to encourage students to think critically and express their ideas confidently without prior preparation.

A total of eight students actively participated in the competition. Each participant spoke on a topic selected through a lottery system, ensuring fairness and spontaneity. The competition tested the participants' presence of mind, clarity of thought, and communication skills. As per the rules, students were given 1–2 minutes of preparation time followed by 2–3 minutes of speaking time.

An important feature of the event was that after each participant's speech, Dr. Minhaj Uddin Barbhuiya, Assistant Professor & the Head of the Department (HOD), Economics reviewed the performance and shared constructive comments. This provided immediate feedback to the speakers, helping them understand their strengths and areas for improvement, and added significant academic value to the competition.

The performances were evaluated by a panel of three judges:

1. Dr. Minhaj Uddin Barbhuiya, Assistant Professor & the Head of the Department (HOD), Economics
2. Dr. Susmita Paul, Assistant Professor, Department of Economics
3. Dr. Dilip Kumar Thakur, Assistant Professor, Department of Hindi (invited judge)

The judges assessed the participants based on content, delivery, confidence, and relevance to the topic. Marks awarded by all three judges were combined to determine the final scores.

The event was efficiently coordinated by Dr. Minhaj Uddin Barbhuiya, the Head of the Department along with Dr. Susmita Paul, Assistant Professor, Department of Economics whose efforts ensured the smooth conduct of the programme. Their coordination contributed significantly to the success of the competition.

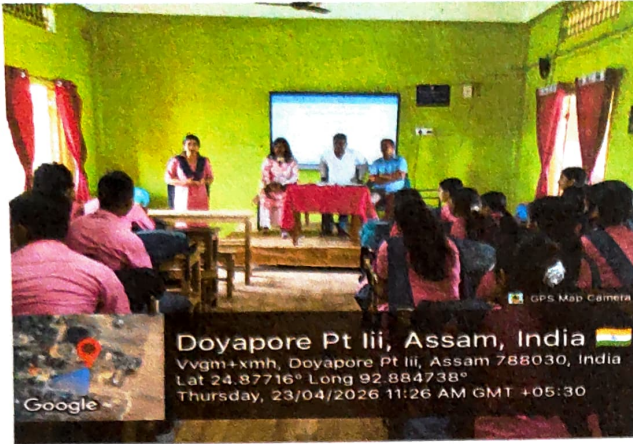

At the conclusion of the competition, the top three performers were awarded prizes. Bhuban Das, 2nd Semester, Neha Kairi, 2nd Semester and Ramakhi Chakraborty, 2nd Semester secured the First, Second, and Third positions respectively. The event was engaging and intellectually enriching, providing a platform for students to showcase their speaking abilities and economic understanding.

The programme concluded on a thoughtful note, reinforcing the importance of effective communication and quick thinking, in line with the idea:

"The art of speaking without preparation is the true test of knowledge."
