Aims and Objectives

The Department of Political Science organised an exam familiarization programme with all TDC Odd Semester students for preparing well and boosting their confidence level in view of their upcoming final examination. The main objective of this programme is to familiarize the students about the **dos and don'ts** during the exam. The programme is organised in order to guide and help the students to perform to the best of their ability during exam. At the session, faculty members from different departments discussed various pros and cons relating to exam such as how to cope with exam stress, how to avoid nervousness, anxiety, frustration and sloppy mistakes during examination. They were also given various tips like how to start answering, how to use the answer scripts, tips for securing good marks etc. The programme is very important especially for the new comers of TDC 1st Semester in order to get them acquainted with new questions structure and pattern after their Higher Secondary level. As examination is a crucial process and hence it is realised by both the faculty members of this Department to hold this programme for the betterment of the students.
